Kaitlyn Hau, 'Polishing the Bloom' scene visual demo still from *Recursive Feedback Ritual 0.01* (2026). Real-time computational sculpture, 715 × 830 × 300 cm. Courtesy of the artist.

Art Central has commissioned new media artist Kaitlyn Hau to realise a large-scale installation titled *Recursive Feedback Ritual 0.01* (2026), a real-time computational sculpture that translates the artist's years of navigating bipolar and obsessive-compulsive symptoms into a synchronised system of motion capture and kinetic percussion. Each replayed movement is an instance of “difference and repetition” in the Deleuzian sense, where repetition is but a mechanism through which variation and deviation are produced. Within the work's seemingly infinite “self-call,” every fold opens onto a new “becoming.”

艺术中环展会委约新媒体艺术家侯嘉琪创作大型装置。《折回0.01》(2026)将艺术家对抗躁郁与强迫症状时，不断对折、压平并重建自我的心理状态，转化为一座实时运算影像雕塑。由动作捕捉驱动的影像与机械敲击在递归系统中循环，实践了德勒兹（Gilles Deleuze）的“差异与重复”：在看似无穷的循环中，每一次折叠皆开启了通往全新“生成”的一道缝隙。

**Performance – “Endless Night and Midnight Sun”
表演“长夜与极昼”**

Art Central’s 2026 performance programme draws on the extreme circadian rhythms of polar inhabitants as a metaphor to ask how we might reclaim an internal rhythm ruled by the cult of efficiency and the hyperproductivity of AI? These performances invite audiences to reflect on how compressed time reshapes social structures and emotional endurance, collapsing the distance we imagine between past and future.

“长夜与极昼”的现场表演，以极地地区极端的昼夜循环，隐喻人类对“时长”的感知转变，审视人工智能如何改写我们的时间感。通过一系列演出，邀请观众反思被压缩的时间如何重塑社会机制、情感耐力，重写过去与未来的界限。

I see blood in the sky today., 2026

Moving within a series of textural suits to deepen her exploration of shared inquiry, care, and acts of resistance, the artist gives form to mutable structures of familial intimacy, inviting reflection on how our experiences and identities are continually shaped in relation to others.

Jiaming Liao's practice examines how image production in mass media shapes bodily expression and its entanglement with desire. For this performance, Liao dons his signature muscle suit to foreground how beauty and masculinity are culturally defined within an era of intensified commercialisation and technological mediation.

廖家明的创作探讨大众媒体中的影像生产如何影响身体及与欲望之间的关系。他将穿上标志性的肌肉演出服，引导观众重新思考在高度商业化与技术化的时代里，“美”与“阳刚气质”的定义如何生成。

《Shadow Work》
(2026)

Shadow Work is a sound performance that fuses physical gesture with object manipulation and electronic modulation. Through percussive activation, the installation generates a feedback loop of multi-choral electronic responses, staging an ephemeral dialogue between the body and its digital, sonic echo.

《Shadow Work》为一场结合肢体动作、物件操控与电子声效调变的声音表演。表演者于敲击乐器时，其动作在周边装置上投射出流转的光影剪影，在影子、节奏与数位声音之间形成回馈回路。

Celebrating Samuel Beckett's 120th birthday, Meng Jinghui, a leading figure in contemporary Chinese theatre, unveils a daring rendition of *Waiting for Godot*. Meng was one of the pioneers in introducing Beckett's plays to Mainland China and in founding the "absurdist theatre" movement in China. Now, Meng reshapes the play through a fragmented, 21st-century lens, reflecting our deepest truths.

适逢爱尔兰作家萨缪尔·贝克特诞辰 120 周年。中国戏剧第一人孟京辉，再次诠释《等待戈多》这部荒诞派戏剧巅峰之作。孟京辉 1991 年首次将此剧搬上舞台，开启了其颠覆传统的戏剧之路。

On 29 March, a new open-air electronic music festival, OPEN by HE.R, will open with Tripolism, making their debut in Hong Kong. HKwalls 2026 will also return with an interactive open-air gallery with live painting and the new Art Truck, which invites street artists to transform a mobile canvas through live action.

The exhibition showcases 26 whimsical plush flower designs, ranging from timeless classics like roses, sunflowers and lilies to more delightful surprises. The presentation is distinguished by two Hong Kong exclusives: the 'Henderson Flower', commemorating a 50-year milestone of Henderson Land, and the 'Bauhinia', paying homage to the city's emblem.

Adapted from the critically acclaimed novel by the "Korean Kafka", Kim Young-ha, *The Empire of Light* focuses on a seemingly ordinary couple harbouring extraordinary secrets. Kim's profound exploration of human nature is brought to life by Moon So-ri, the acclaimed actress who shone at the 59th Venice International Film Festival, and Ji Hyun-jun, delivering a soul-stirring performance that captures their characters' struggles.

被誉为“韩国卡夫卡”韩国作家金英夏的同名作品《光之帝国》改编成心理剧。故事讲述潜伏韩国多年的朝鲜间谍的生命在一夜间彻底崩塌，揭示个人与社会、政治与个人命运的纠缠与挣扎。凭《绿洲》荣获威尼斯电影节马塞洛·马斯楚安尼奖的韩国影后文素利与著名舞台剧演员池炫俊主演，将角色面对命运的挣扎诠释得淋漓尽致，获法国文化评论家高度赞赏。

The exhibition unfolds through four themes: Urban Stage, Landscape Reimagined, Virtual Reality and Transformation. It brings together 19 Hong Kong artists who are actively shaping the city's contemporary art scene. This marks the first time the HKMoA has invited so many artists to create on-site, turning its gallery into an open studio, where the audience can step behind the scenes and interact closely with the artists.

《当下 —— 香港艺术展》以城市、风景、虚实和变奏四个主题，展出十九位香港艺术家的精选作品。展览更探索艺术的创作之路，首次邀请艺术家驻场，于开放式工作室内与观众互动交流，观众可亲历艺术诞生的过程。

Based on Alexander Pushkin's celebrated verse novel, this deeply human story explores the longing of youth and the devastating consequences of unrequited love, set to Tchaikovsky's lush, emotionally nuanced score. This acclaimed production, led by National Theatre Brno, marks its rare appearance in Hong Kong.

柴可夫斯基把“俄国文学之父”普希金的同名小说《尤金·奥涅金》改编成扣人心弦的歌剧作品，通过平凡的爱情故事，诉说感人至深的情感。此俄国浪漫主义经典作品过往鲜有在香港上演，现由捷克布尔诺国家歌剧院逾百位歌唱家、乐手及合唱团员携手演出。
